DO MORE WITH FISCAL SUPPORT FROM LIFEWORKS.

As an approved **Financial Management Service (FMS)** provider through the State of Minnesota, Lifeworks helps individuals enrolled in the Consumer Directed Community Supports and Consumer Support Grant programs. Lifeworks is also an experienced PCA Choice provider agency and a licensed provider of Personal Support, Respite, and Homemaker services.

We know that your life is busy; that's why we're here to take care of employer-related responsibilities so that you can focus on the things that matter. Our team of fiscal service coordinators will work with you, answer your questions, and ensure that you have everything you need to make the most of each day.

CONSUMER DIRECTED COMMUNITY SUPPORTS (CDCS)

CDCS allows recipients to take greater control over their day-to-day care and make critical decisions, including hiring support workers and purchasing goods and services that support self-direction.

PCA CHOICE

PCA Choice is a self-directed program that allows you to hire, train, schedule, and manage personal care assistants.

CONSUMER SUPPORT GRANT (CSG)

CSG provides a monthly cash grant to recipients to help them live in the community. CSG is an alternative to Medicaid home care services such as home health aide, personal care assistance, and private duty nursing.

PERSONAL SUPPORT

Personal Support helps recipients achieve increased independence and inclusion in the community. You can use Personal Support to access community services, participate in community activities, or obtain extra assistance at home.

“LIFEWORKS HAS BEEN ON OUR SIDE, FIGHTING FOR FAMILIES, AND THAT MAKES ME FEEL GOOD.”

- Doug McManus, PCA Choice recipient
