YOUR SPONSORSHIP GIVES BACK

In 2024, nearly 700 attendees came together at the Lifeworks Annual Celebration to invest in disability inclusion. Sponsors and donors help Lifeworks fund our everyday core services and innovative approaches that help bring disability services and resources to underserved communities.

Lifeworks continues to advance disability inclusion by offering disability inclusion trainings to business, nonprofit, and government partners. Educating our community is critical as we aim to make Minnesota the most disability friendly state in the country.

In the coming months, Lifeworks will continue to deepen our relationships with rural and Black, Indigenous, people of color communities. We are building a community of practice to develop a disability inclusion assessment and technology solution for the benefit of all Minnesotans, and we are launching Lifeworks Centers for Disability Inclusion, creating a physical presence in target communities where our services are desperately needed.

Support from sponsors helps Lifeworks continue to expand our reach and increase our impact. Your dollars help Lifeworks focus on our everyday, core services while also expanding our reach to ensure our communities are radically inclusive.
