

## Disability Inclusion Training

At Lifeworks, we believe disability inclusion isn't just a value – it's a skill. For 60 years, we've partnered with people with disabilities to shape more equitable communities and workplaces. Our trainings equip teams to move beyond good intentions and into action with tools that foster disability inclusion at every level of the workplace.

### What We Offer

- ◆ Interactive, engaging, and relevant sessions
- ◆ Customizable content aligned to your goals
- ◆ Practical takeaways to build confidence and capability
- ◆ Scalable options for teams of all sizes, including annual subscriptions

### Why Lifeworks

- ◆ 60 years of experience advancing disability inclusion
- ◆ Trainings developed by people with disabilities
- ◆ Trusted by state agencies, national employers, and community organizations
- ◆ Experts in building inclusive work spaces

**Let's build your disability inclusive workplace – one conversation at a time**

## Training Topics

- Inclusive Workplaces for People with Disabilities
- Avoiding Ableism and Becoming Allies
- Neurodiversity and Disability
- Practical Guide to Disability Self-Identification Surveys
- Accessible Customer Service
- And more!

## Trusted by Leading Organizations

"I loved the training and discussion on Neurodiversity and Disability. I wish this training would be mandatory for all leaders to go through and engage in."
